

CLAIMS FILING

LESS MEANS MORE

Fewer Hassles, More Recoveries

Our Claims Filing program enables clients to easily inventory the settled class actions impacting their portfolio and allows them to easily track how much money they have recovered from securities litigation.

Fiduciary Responsibilities Fulfilled

Our services provide clients with another tool to demonstrate that they are fulfilling their fiduciary duties and protecting their assets.

Electronic Payments Enabled

Kessler Topaz provides electronic payments for class action recoveries received, alleviating administrative burdens and costs associated with receiving paper checks.
